203 users online

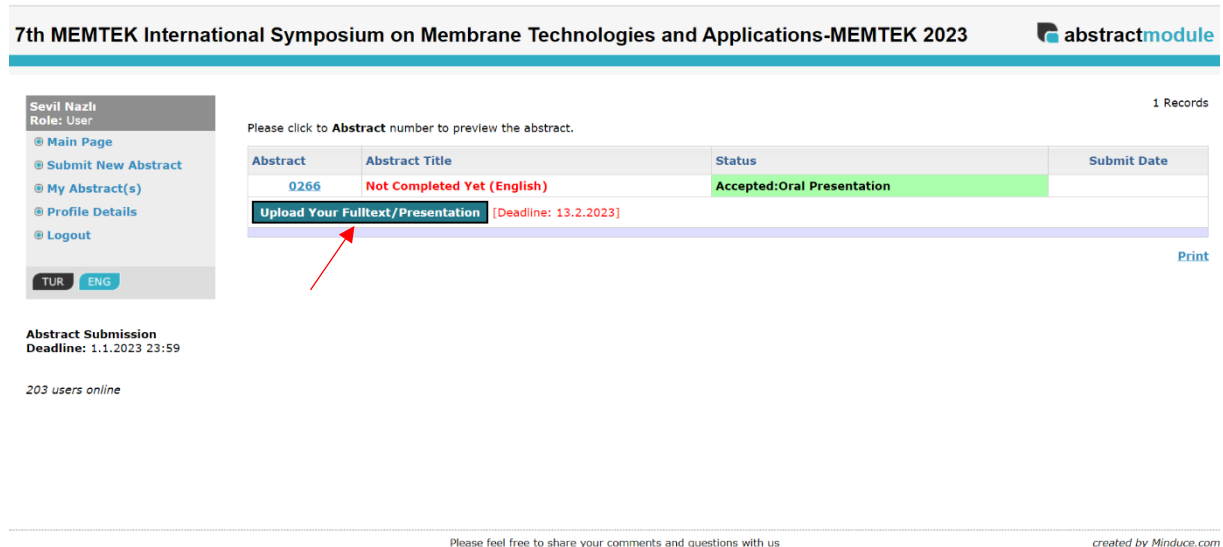

Welcome Sevil Nazlı,
In this section you can prepare your abstract(s) and edit them until you send the abstract(s) to the Scientific Committee.
This abstract management system can make it possible for you to add tables or pictures to your abstract(s) online (if allowed), and also can assist you to prepare your abstract in formal forms. It is always possible to check your abstracts' status after logging in.

My Abstract(s)
